

2nd Anniversary Show

City Business celebrated its Second Anniversary with a Fashion Show at the Intercontinental Hotel on October 26. It kicked off with an Asian collection from Mrunal Khimji followed by designers under the umbrella of Nadia Al Zakwani and Sama Al Wahaibi for the Arabic collection.

The Arabic dresses have been arranged by Layali Al Asalah and City Business staff garments have been supplied by The Arab World fashion house at Qurm. Classical music performances from Paulina and Macieg Skolowski enthralled the audience after a speech and a slide presentation by Dr Waheed Al Kharusy on cancer awareness. Nimble feet from Salsa dancers entertained the audience with South African rhythm between fashion show rounds.
