Dr. Fatma O. Ali

The founder and CEO of Emirates Medical Centre opened a small private Clinic of her own with just one nurse and a receptionist in 2000. Within two years, the Clinic grew in popularity and obtained a very good reputation. Since 2000 till date, EMC has grown into a full-fledged modern Centre, offering skin health, anti-aging and rejuvenation services, with over 50 fully motivated and trained staff members.

"I am honoured to receive this award, its a recognition of all what I have achieved since the establishment of the centre."

(Special Award)

Sheila Jamal

She is CEO of Al Madina Development & Supply and ever since she took over its helm in 2004, she has played a constructive role in the growth of the company. Thanks to her background, Sheila combines all the positive traits of both the Far East and the West.

(Special Award)

Mrunal Khimji

She is designer and consultant and owner of Mrunal's Boutique. With a short span of time, she has carved her own niche in the fashion scene in Muscat. She opened 'Mrunal's', her own boutique in 2007 and since then, has been catering to the needs of the fashion conscious not only in Oman but throughout the world.

"I am grateful for this award and would like to thank my family for their unflinching support and my clients who appreciate my work and always turn to me for yet another inspirational look. I also thank Al Mar'a for recognising my efforts in this field."
